Daniel 8:

The Vision of the Ram, Goat, and Little Horn

Observations from Daniel 8

Application

Digging Deeper

What insight, principle or observation from this week's message did you find to be most helpful, eye-opening or troubling? Explain.

Read 2 Thessalonians 2:3-9.

What do we learn about the "man of lawlessness" from this passage? How do the times we live in make this an ever increasing possibility?

Read 2 Peter 3:10-14 again. What should our response to the study of end-times be? How can we reflect this as a community?
